## Our 2025 Ministry Event Accomplishments....

**April 5, 2025** - After being closed for over a year due to our new pizza trailer being built, Louie's Pizza, LLC held their first free pizza event in the new trailer at Word of Truth Family Church to help train our staff. We had the opportunity to bless two churches, Word of Truth Family Church of Many, LA and Only Believe Ministries of Hemphill, TX with 40 free pizzas while our new staff got the chance to practice on some very loving, patient people.

**May 30, 2025** - While Seeds Women's Resource Center in Minden, LA held their 80's Bingo Fundraising Event, we had the honor of serving free pizza slices to those in attendance who purchased tickets to benefit the center financially so they could continue to serve men, women, and children in the local community. We served 60 pizzas to those in attendance and were so blessed to be a part of this event.

**August 16, 2025** - We were asked by the Women's Resource Center of Natchitoches, LA to partner with their ministry during the Back to School Event at Northwestern University where we gave away 240 large slices to the first year incoming students at NSU. What a blessing it was to partner with this powerful ministry that supports pregnant women in need and to also help point students to their information table so they could hear first-hand about the beautiful work this center does and they could also be involved as a volunteer.

Thank you to those who have supported us as we look forward to being a part of many more free pizza events again in 2026!

**2025 Revised Mission Statement...**Our Board of Directors voted on February 5, 2025 at our Annual Meeting to revise our mission statement to better fit our ministry:

"Louie's Pizza and Prayer, Inc., is a 501c3 faith-based organization, desiring to demonstrate the love of God by meeting the practical needs of others through, but not limited to, free pizza and/or other food ministry events, including patterning with other like-minded organizations as they aim to reach their local communities with their message of hope. Our hope is that after first meeting the practical needs of others as mentioned above, the door will be open for us to offer the prayer of faith so people can receive all the abundant promises of God through what Jesus, the bread of life, has provided according to John 6:35"
